
SUPPORTIVE SERVICES

Assistance with work-related requirements such as gaming licenses, work clothes, tools, or commercial driver's licenses.

- In addition to a completed application, the applicant must provide proof of employment and need by submitting the verification of employment form certified with the Employer/Supervisor's signature.
- The amount of the assistance is determined according to actual need but is not to exceed \$250 per participant in a calendar year.
- Participants must complete at least 480 working hours of employment after receiving assistance. If participant voluntarily leaves the place of employment or is terminated from the job before completing at least 480 working hours of employment, he/she will be required to repay the amount received. Repayment will be pro-rated to reflect credit for the actual hours worked.
